Desmond M. Witherspoon

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

DESMOND M. WITHERSPOON,

Plaintiff,

-against-

LATAYA RIVERA ET AL.,

Defendants.

15-CV-4328 (LAP)

BAR ORDER UNDER  
28 U.S.C. § 1651

LORETTA A. PRESKA, Chief United States District Judge:

Plaintiff filed this action *pro se*. On June 9, 2015, the Court dismissed the action as frivolous, noted that Plaintiff had repeatedly filed frivolous and nonmeritorious cases, and ordered Plaintiff to show cause by affirmation why he should not be barred from filing further actions *in forma pauperis* (IFP) in this Court without prior permission.<sup>1</sup> Plaintiff filed an affirmation on June 30, 2015, but his arguments against imposing the bar order are insufficient. Plaintiff writes, without more, that he seeks “relief from 28 U.S.C. § 1651.” (Pl. Aff. (ECF No. 6) at 1.)<sup>2</sup>

**CONCLUSION**

Accordingly, Plaintiff is barred from filing future actions IFP in this Court without first obtaining from the Court leave to file. Any motion for leave to file must be captioned “Application Pursuant to Court Order Seeking Leave to File.” Plaintiff must attach a copy of his proposed complaint and this order with each such motion. The motion must be filed with the *Pro*

---

<sup>1</sup> Since the Court’s order, Plaintiff has filed more new actions in this Court. *See, e.g., Witherspoon v. CBS Interactive, Inc.*, No. 15-CV-4571 (UA) (filed June 9, 2015); *Witherspoon v. Gortex*, No. 15-CV-4667 (UA) (filed June 12, 2015); *Witherspoon v. Raymour & Flanigan*, No. 15-CV-4915 (UA) (filed June 22, 2015); *Witherspoon v. Cipha Sounds et al.*, No. 15-CV-5066 (UA) (filed June 26, 2015).

<sup>2</sup> The Court also notes that after filing approximately 200 frivolous cases in the United States District Court for the District of New Jersey, Plaintiff was barred from proceeding IFP in that court. *See Witherspoon v. Capital One*, No. 15-CV-1140 (SRC) (D.N.J. Mar. 10, 2015).

*Se* Intake Unit of this Court. Should Plaintiff violate this order and file an action without first filing a motion for leave to file, the action will be dismissed for failure to comply with this order. Plaintiff is warned that the continued submission of further frivolous documents may result in the imposition of additional sanctions, including monetary penalties. *See* 28 U.S.C. § 1651. The Clerk is directed to close this action.

The Court certifies, pursuant to 28 U.S.C. § 1915(a)(3), that any appeal from this order would not be taken in good faith and therefore *in forma pauperis* status is denied for the purpose of an appeal. *See Coppedge v. United States*, 369 U.S. 438, 444-45 (1962).

SO ORDERED.
